Rod and Sherry direct the Resource and Advisory Center that serves the 900 Bible schools and extensions in the 19 Spanish-speaking countries in Latin America and the Caribbean. Rod is Coordinator for Educational Ministries, serving 19 Spanish-speaking countries in Latin America and the Caribbean, elected to this position in September 2009 by the national superintendents and directors of Christian education. He also serves as Advisor for Bible Schools, providing assistance to more than 900 Bible schools and ministerial training centers. Most recently, God has placed on their hearts the vision to open a Regional Service Center in Panama to support educational ministries throughout Spanish-speaking Latin America and the Caribbean through consulting and coordination, leadership and resource development, and administrative support.
